SUMMARY

B.Sc. Engineering Honours Graduate in Transport Management & Logistics Engineering from the University of Moratuwa. Offers hands-on experience in end-to-end supply chain operations, S&OP, demand planning, procurement coordination, and warehouse management. Proficient in ERP systems (Odoo), route optimization, KPI reporting, inventory control, and process improvement. Proven ability to analyze operational data, reduce logistics costs, and drive efficiency across procurement, production, and distribution functions

WORK EXPERIENCE

Logistics Intern, City Cycle Industries Manufacturing (Pvt) Ltd DEC 2024 – JUNE 2025

- Coordinated transport planning for 8+ daily shipments, ensuring on-time delivery
- Optimized delivery scheduling via Excel analysis, cutting route planning time by ~25%
- Managed warehouse operations: inventory, dispatch planning, and stock accuracy
- Led ERP (Odoo) implementation – authored SOPs and trained users across 3 departments
- Identified 4+ process bottlenecks through time studies and workflow analysis
- Improved procurement-to-distribution coordination, reducing material delays

Project Supervisor, Road Development Authority (RDA) JAN 2020– JAN 2021

- Supervised 18 km rural road project with a 15+ member team, ensuring QA/QC and on-time delivery
- Maintained daily KPI dashboards and progress reports for stakeholders
- Coordinated 5+ contractors and government agencies to meet all milestones
- Applied risk management to identify and mitigate 3 critical project delay risks

EDUCATION

B.Sc Engineering Honours 2022 – 2026

University of Moratuwa

- Specialization: Transport Management and Logistics Engineering
- Current GPA: 3.30 out of 4.0
- Current Grade : Second Class Upper Division

Certificate in Auto Electrical JAN 2021 – MAY 2022

Ceylon-German Technical Training Institute

- Gained hands-on expertise in automotive electrical systems, including wiring, diagnostics, installation, and repair of vehicle components using modern testing and diagnostic tools

G.C.E. Advanced Level 2010 – 2018

Poramadulla Central College

- Physical Science Stream

PROJECT

Warehouse Automation with Robotics (Ongoing)

- Designed robotic automation for warehouse pick-and-place workflows, reducing manual handling time by ~30% | Tools: Python, CAD

Excel Automation Project

- Built Power Query & Power Automate pipelines for booking forms, reducing processing time by ~40% | Tools: MS 365, Power BI

Vegetable Supply Chain Analysis -Nuwara Eliya

- Audited full supply chain (sourcing, 3PL, cold storage, last-mile); proposed strategies targeting 15% logistics cost reduction | Tools: Excel, ArcGIS

SustainEdge SME Accelerator – CEETEE Kuliyaipitiya

- Assessed 5+ SME operational challenges; recommended ERP adoption, lean inventory, and digital supply chain improvements

Pages of Hope – Community Development Project

- Led 10+ volunteers; coordinated logistics and stakeholder engagement across 3 rural districts to improve education access

LEADERSHIP & ACHIEVEMENTS

- Professional Member – Chartered Institute of Logistics & Transport (CILT)
- University Colors – Rugby (2023, 2024, 2025) | Sports Captain & Athletic Color Holder (2018)
- Senior Prefect – Poramadulla Central College (2018)
- Member – Leo Club, University of Moratuwa

TECHNICAL SKILLS

- | | | |
|------------|-----------------|----------------------|
| • MS 365 | • Python, C#, R | • ERP Systems (Odoo) |
| • Power BI | • MS Project | • SUMO, CUBE |
| • AutoCAD | • VS Code | • ArcGIS, QGIS |

KEY SKILLS

- | | | |
|---------------|-------------------|-----------------------|
| • Engineering | • Communication | • Critical Thinking |
| • Management | • Problem Solving | • Analytical Thinking |
| • Leadership | • Team Building | • Adaptability |

CORE COMPETENCIES

- | | |
|-------------------------------------|--|
| • Supply Chain Management & S&OP | • Inventory Control & Stock Management |
| • Logistics & Distribution Planning | • Procurement & Sourcing Coordination |
| • Demand Planning & Forecasting | • Warehouse & 3PL Operations |
| • Vendor & Procurement Management | • KPI Reporting & Data Analysis |
