

KANISHKA GEETHAN

FINAL YEAR ENGINEERING UNDERGRADUATE

ekanayakakanishka1@gmail.com | 071 189 3083 | Katubedda , Moratuwa
[linkedin-kanishkaekanayaka](#)

SUMMARY

Final-year undergraduate in Transport Management and Logistics Engineering with hands-on experience in supply chain operations, demand planning, logistics coordination, and warehouse management. Skilled in route optimization, inventory coordination, ERP systems (Odoo), and process improvement. Proven ability to analyze operational data, improve efficiency, and support end-to-end supply chain execution.

WORK EXPERIENCE

Logistics Intern, City Cycle Industries Manufacturing (Pvt) Ltd DEC 2024 – JUNE 2025

- Coordinated transport planning and distribution operations, supporting timely delivery and material movement
- Assisted in route optimization and delivery scheduling using Excel-based data analysis
- Supported warehouse operations, inventory coordination, and dispatch planning across production and logistics teams
- Contributed to ERP (Odoo) implementation, preparing SOPs and supporting user adoption
- Analyzed production workflows and conducted time studies to identify process inefficiencies and bottlenecks
- Improved coordination between procurement, production, and distribution functions

Project Supervisor, Road Development Authority (RDA) JAN 2020– JAN 2021

- Supervised execution of an 18 km rural infrastructure project, ensuring quality assurance (QA/QC), schedule adherence, and resource coordination
- Monitored daily progress and maintained project reporting and performance tracking
- Coordinated with contractors and stakeholders to ensure on-time project delivery
- Applied project planning and risk management principles to mitigate delays and quality issues

EDUCATION

B.Sc Engineering Honours 2022 – PRESENT

University of Moratuwa

- Specialization: Transport Management and Logistics Engineering
- Current GPA: 3.30 out of 4.0
- Current Grade : Second Class Upper Division

Certificate in Auto Electrical JAN 2021 – MAY 2022

Ceylon-German Technical Training Institute

- Gained hands-on expertise in automotive electrical systems, including wiring, diagnostics, installation, and repair of vehicle components using modern testing and diagnostic tools

G.C.E. Advanced Level JAN 2021 – MAY 2022

Poramadulla Central College

- Physical Science Stream

PROJECT

Warehouse Automation with Robotics (Ongoing)

- Warehouse Automation with Robotics – designed and implemented robotic solutions to optimize warehouse operations

Excel Automation Project

- Developed automated Power Query and Power Automate solutions for VS account booking forms, reducing manual errors and improving data accuracy

Vegetable Supply Chain Analysis –Nuwara Eliya

- Analyzed sourcing, transportation, storage, and distribution inefficiencies. Proposed improvements to reduce logistics cost and delivery delays.

SustainEdge SME Accelerator – CEETEE Kuliyaipitiya

- Evaluated SME operational challenges. Recommended sustainable, technology-driven process improvements.

Pages of Hope – Community Development Project

- Led a community-based initiative to improve education access and local wellbeing through structured development activities.

LEADERSHIP & ACHIEVEMENTS

- University Colors – Rugby (2023, 2024, 2025)
- Senior Prefect – Poramadulla Central College (2018)
- Sports Captain (2018) | Athletic Color Holder
- Member – Chartered Institute of Logistics & Transport (CILT)
- Member – Leo Club, University of Moratu

KEY SKILLS

- | | | |
|---------------|-----------------|----------------------|
| • MS 365 | • Python, C#, R | • ERP Systems (Odoo) |
| • Power BI | • MS Project | • SUMO, CUBE |
| • Power Query | • VS Code | • ArcGIS, QGIS |

TECHNICAL SKILLS

- | | | |
|---------------|-------------------|-----------------------|
| • Engineering | • Communication | • Critical Thinking |
| • Management | • Problem Solving | • Analytical Thinking |
| • Leadership | • Team Building | • Adaptability |

CORE COMPETENCIES

- | | |
|-------------------------------------|----------------------------|
| • Supply Chain Management | • Inventory Management |
| • Logistics & Distribution Planning | • Procurement Coordination |
| • Demand Planning & Forecasting | • Warehouse Operations |
